

Mental Health and Substance Use Resource Guide

WE ARE HOPE is a collaboration of community organizations that have come together to provide support to those struggling with mental health and/or substance abuse issues. Too often, it can be hard to know where to turn for help. This resource directory will serve as your guide to support services in our community.

CRISIS HOTLINES

For life-threatening emergencies, please call 911 for immediate assistance. If you or someone you know needs urgent help, please call 988 or reach out to any of the following resources:
